

2005 PDGA Disc Golf World Championships

To be held in Allentown, Pennsylvania - July 25-30, 2005 (Pros) and Flagstaff, AZ - Aug 8-13, 2005 (Ams & Juniors)

Waitlists

The waitlists for uninvited players begins March 1. Interested players should contact the PDGA on or after that date at waitlist@pdga.com or (416) 203-9628. You will be asked to provide your name PDGA# and the division in which you wish to play. Please note you must have paid your 2005 membership dues in order to get on the waitlist. The waitlist will be reviewed in mid-May, after the official invitees have had ample time to register, with invitations to selected waitlisted players being mailed out by June 1. Please note: the waitlist is not first come first served. Based on the number of remaining places in each division, priority on the waitlists will be given as follows:

- 1 All International Players (2005 current members who do not reside in USA or Canada)
- 2 All Pro and Advanced division winners of 2005 National Tour and SuperTour events January-June 2005
- 3 PDGA Tour TDs and PDGA Volunteers (Board and Committee members, State/Province Coordinators)
- 4 All players wishing to enter Junior Worlds
- 5 Women, Families (parent/child or husband/wife), Senior Grandmaster & Legend Men
- 6 2004 Tour Points - for each age bracket (Open, Masters, Grandmasters), players with a certain minimum number of 2004 Pro or Amateur points (these minimum thresholds to be determined when waitlists are reviewed).
- 7 Amateur invitees wishing to play Pro, Junior invitees wishing to play Amateur.
- 8 Any other players with Tour Points in 2004.
- 9 Joined PDGA 2003 or earlier - players who have paid their dues 2+ years in a row, with zero Tour points.
- 10 Past members who were not current in 2004 - year of qualification
- 11 New Members - Players who joined PDGA in 2004 and had zero Tour Points, or who joined in 2005.

Notes Within each of the above categories, priority will be given to the player with more points or to the player who was placed on the waitlist earlier. Please note that while virtually all waitlisted players have in recent years gained entry into Worlds, it is impossible to predict how many waitlisted players will get in this year due to the size and anticipated popularity of this event. It is expected that some but not all Pro, Am, and Junior waitlisted players will get in. As these portions of the event are expected to fill prior to the deadline, all players should be aware that the later they submit their entries, the greater the chances are that they will not get in.

On behalf of the PDGA and the host clubs, we look forward to seeing lots of players this summer. Regards and good luck!

David Gentry, PDGA Tour Manager
