

2012 PDGA Worlds Junior Transportation Package

Included in this package is the schedule for transporting Jr division players to and from the host hotel, The Blake, and between courses during competition. Due to the large number of players and differences in courses being played each day by the different divisions, we have planned for 4 different shuttle schedules.

During the rounds which pools do not play, we have a number of fun activities planned. If the pool of players has a morning round off, we will be spending the morning at the Mecklenburg Aquatic Center (www.charmeck.org/mecklenburg/county/parkandrec/aquatics/pages/aquatic%20center%20information.aspx) which is a County operated facility and is conveniently located across the street from the Blake Hotel and will require swim attire.

For those with the afternoon off after playing one of the Elon courses, we will spend our time at the Sports Connection Ballantyne Family Entertainment Center (www.sportsconnectionnc.com), a sport and arcade facility located next to Elon Park and offers bowling, laser tag, arcade games and many other activities. Included in the package is a "Combo 3" package which includes bowling.

The other afternoon activity for some of the kids will be Discovery Place (www.discoveryplace.org) , Charlotte's hands on science and technology museum. On the days that the players will play the same course in the morning and afternoon, we will provide a picnic lunch for the shuttle participants.

With the large number of shuttles and activities, we are looking for chaperones for each of the off course activities. Within the pages after the schedule information, you will find a child information and needs form to ensure we can provide a safe and fun time for your child and permission form to transport your child to and from the planned competition and events.

Space for the shuttles will be limited, if you plan on utilizing this service, please reserve you spot by contacting discgolfsam@gmail.com by July 8th. We will offer registration during on site check in on Sunday July 15 and Monday July 16 as space permits.

The package price is \$65 per player.
