IMPORTANT: This Secondary Worlds Invite Process is the ONLY way a current 2018 amateur member below the age of 19 in 2019 can earn an invite to register for the 2019 Amateur Worlds. To do so, they MUST earn 1,500 points from actually playing in MA1 or 90 points from actually playing in FA1.

A player's Primary Worlds Division Invite uses ALL of their 2018 earned Amateur points (regardless of the amateur division they earned the points in) to meet the points requirement for the player's 2019 Primary Worlds Division. This process allows for members to still receive an invite for Worlds even if they had aged into a new age bracket for which they could not have earned points in the previous year.

IMPORTANT: This primary invite process ONLY applies to current 2018 amateur members at least 19 years of age in 2019.

**Example of the overall Worlds invite process:**

A 2018 member who is male and age 52 had earned 350 points playing MA50, 765 points playing MA40, and 1,000 points playing MA1.

- **A** Since his Primary Worlds Division is MA50, he receives a Primary Worlds Invite for MA50 because ALL of his Amateur points (2,115) equaled at least the 500 point requirement for MA50 (even though he had less than 500 playing in MA50.)
- **B** He also receives an Additional Invite for the MA40 division because he had 765 points actually playing in the MA40 division which met the requirement of 750 points for that division.
- **C** He does NOT receive an Additional Invite for the MA1 division as he only had 1,000 points playing in the MA1 division and the requirement was 1,500 points.

IMPORTANT: This Secondary Worlds Invite Process is the ONLY way a current 2018 amateur member below the age of 19 in 2019 can earn an invite to Amateur Worlds. To do so, they MUST earn 1,500 points from actually playing in MA1 or 90 points from actually playing in FA1.

Important: Only Amateur members at least 19 years of age in 2019 have a Primary Worlds Division held at Amateur Worlds. Pro class members at least 40 years of age in 2019 have their Primary Worlds Division held at Junior Worlds.

All 2018 current International (country other than USA or Canada) Amateur members (age 19 and older in 2019) who completed any PDGA sanctioned tournament (not league) in any Amateur or Professional division during the 2018 tour year.

- Ages 19-39 in 2019 = MA1 or FA1; Ages 40-49 in 2019 = MA40 or FA40; Ages 50-54 in 2019 = MA50 or FA50; etc.

**Primary Worlds Division Invite Process**

A player's Primary Worlds Division Invite uses ALL of their 2018 earned Amateur points (regardless of the amateur division they earned the points in) to meet the points requirement for the player's 2019 Primary Worlds Division. This process allows for members to still receive an invite for Worlds even if they had aged into a new age bracket for which they could not have earned points in the previous year.

An amateur junior-aged player (age 8-18 in 2019) will have their invite processed for their Primary Worlds Division at 2019 Junior Worlds. (See the “2019 Junior Worlds - Invitation to Register Criteria” document.)

**Secondary Worlds Invite Process:**

The process for an invite to any division other than the member's Primary Worlds Division, uses only those 2018 points earned while actually playing in the specific division to meet that division's points requirement.

IMPORTANT: This Secondary Worlds Invite Process is the ONLY way a current 2018 amateur member below the age of 19 in 2019 can earn an invite to Amateur Worlds. To do so, they MUST earn 1500 points from actually playing in MA1 or 90 points from actually playing in FA1.

**Example of the overall Worlds invite process:**

A 2018 member who is male and age 52 had earned 350 points playing MA50, 765 points playing MA40, and 1,000 points playing MA1.

- **A** Since his Primary Worlds Division is MA50, he receives a Primary Worlds Invite for MA50 because ALL of his Amateur points (2,115) equaled at least the 500 point requirement for MA50 (even though he had less than 500 playing in MA50.)
- **B** He also receives an Additional Invite for the MA40 division because he had 765 points actually playing in the MA40 division which met the requirement of 750 points for that division.
- **C** He does NOT receive an Additional Invite for the MA1 division as he only had 1,000 points playing in the MA1 division and the requirement was 1,500 points.

**Additional Important Notes:**

An invitation to register for Worlds, does NOT guarantee a spot at Worlds. Timely registration is still required to get in.
