

2019 PDGA Pro Masters Worlds Registration Schedule v2 (Subject to Change)

NOTE: In all cases a registrant must be both a current 2019 member and a certified official through June 29th, 2019 in order to register.

Note: All registration tiers open at 12:01 AM Eastern on the date indicated (Early Friday Morning.)

Friday, March 15 – Pro Masters Worlds invite list is posted on pdga.com

Friday, March 29 – Pro Masters Worlds invitations are emailed to invitees. Invitation packets are sent via USPS only to those current invitees without an email address.

Friday, April 12 – Registration opens for one week to **International (Non-North American) Invitees ONLY** for the reserved International spots (% based on tour participants) in the division(s) for which they were invited.

Friday, April 19 – Registration opens for one week to **Canadian Invitees ONLY** for reserved Canadian spots (% based on tour participants) and any leftover International spots in the division(s) for which they were invited.

Friday, April 26 – Registration opens for three weeks to **all Pro invitees for the divisions for which they were invited**. If a division fills, then a waitlist is started only for invitees of the division in the order they are received.

Note: One spot in each division is held for the 2018 World Champion to register through this period ONLY. If not registered by May 17, the spots are released.

Friday, May 17 - Registration opens for one week to **Pro invitees for other divisions they qualify for** (example: A player invited only for MP50 may now register for MP40.) Any waitlists for filled divisions are continued with invited players in the order they are received.

Friday, May 24 – Registration opens for one week to **non-invitees who are classed as Pros**. Waitlists for filled divisions are continued with any qualified Pro registrants in the order they are received.

Friday, May 31 - Registration opens for one week to **Amateurs who meet a minimum ratings requirement:**

Minimum Requirements for Amateurs at Masters Worlds
