

Newton Hill

- Hole 15 - All pavement and the auto body shop are OB. Sidewalk past pin is OB as well.
- Hole 18 - Parking lot is OB (marked with blue line)
- Porta-Potty is downhill from hole 7 and is a bit of a hike. Time consideration is to be allowed for people that need to go to the bathroom. Map is attached.

501

- Stone walls line almost all OB. All OB marked w/ yellow rope.
- Hole 3 - OB along left side stone wall bordering hole 2, also OB right side and around blue basket, all marked w/ rope
- Hole 6 - OB stone wall, rope marks OB line
- Hole 10 - The blue and red stakes in the fairway are for reference only. Note: the OB across hole 12's fairway is in play
- Hole 12,13,14 - OB stone wall left, marked w/ yellow rope
- Hole 15 - OB stone wall left & straight ahead by blue basket, rope marks OB
- Hole 18
 - OB stone wall by Temp Green basket & parking lot, marked w/ rope. Also fenced sunflower garden is OB
 - Tee sign is incorrect for this weekend's play. Blue will play to the short pin (par 3, 458') and Green will play to the long pin (par 4, 598')
 - The sunflower patch, on the right side of the Fairway between the two baskets, is out of bounds and will be marked by yellow rope

Maple Hill (R-Red, W-White, B-Blue, G-Gold)

- Safety first, take relief back from an active beehive until you feel safe
- All water carries that go OB go to a drop zone.
 - Hole 1: (W,B,G)
 - Hole 5: (B,G)
 - Hole 8: (W,B,G)
 - Hole 14: (B,G)
- Hole 4 (R,G): Mando, retee if mando missed
- Hole 9 (B,G): Par 4, bridge over OB is OB
- Hole 14 White pond is OB for all layouts and teepads
 - White: Play last place in bounds
 - Blue: Go to DZ on dam
 - Gold: Go to DZ on dam
- We made some adjustments to the course for the MVP open last week. Those adjustments are not in effect unless noted on this page or in the attached PDF.
- Players always have the option to play a provisional. To play a provisional.
 - Group makes a decision
 - Player says they will play a provisional throw different than the group's decision
- OB defined by OB wall, then rope, then water
- Where OB ends, OB continues in a straight line forever or to the next OB
