

2020 PDGA Pro Masters World Championships - Invitation To Register Criteria

All participants in the 2020 PDGA Pro Master Disc Golf World Championships must be current 2020 PDGA Members and Certified Officials through the end of the event **before they can register for for the event.**

In order to receive an invite, players must have been a 2019 current member prior to December 15, 2019.

Qualification Criteria

1 Top Pro Points earners of the 2019 PDGA Tour year. Minimum Pro Points Required are:

MP40 - 600 Points	FP40 - 40 Points
MP50 - 200 Points	FP50 - 40 Points
MP55 - 200 Points	FP55 - 40 Points
MP60 - 60 Points	
MP65 - 60 Points	

2 Older Divisions:

All 2019 current female Professional members eligible for the FP60, FP65, or FP70 divisions in 2020 who completed any PDGA sanctioned tournament (not league) in a professional division during the 2019 PDGA tour year.

All 2019 current male Professional members eligible for the MP70, MP75, or MP80 divisions in 2020 who completed any PDGA sanctioned tournament (not league) in a professional division during the 2019 PDGA tour year.

3 Additional invites:

Any US State, Canadian Province, or International Country that did not have at least 10% of it's resident Pro 2019 tour **participants** qualify through criteria #1-2 above, will have additional invites provided to the top pro points earners (by highest % of their Primary Division Requirement) in order to reach 10%.

Primary Invite Process:

The process for a player's primary invite uses ALL of their 2019 earned Professional points, regardless of the professional division earned in, to meet the requirement for the player's 2020 age bracket division. Examples of Age Bracket Divisions: Age 40-49 in 2020 = MP40 or FP40; Age 50-54 in 2020 = MP50 or FP50; etc. This process allows for members to still receive an invite for Worlds even though they had aged into a new age bracket which they had not been able to earn points for in the previous year.

Additional Invite Process:

The process for an invite to any additional divisions beyond the Primary Invite, uses only those 2019 points earned while actually **playing in the specific division** to meet that division's points requirement.

Examples of the Worlds invite process:

A 2019 Pro member who is male and age 64 had earned 55 points playing MP60, 300 points playing MP50, and 550 points playing MP40.

- A Since he is an MP60-aged player he receives a Primary Invite for MP60 because **ALL of his Pro points** (905) equaled at least the 60 point requirement for an MP60 Primary Invite (even though he had less than 60 points playing in MP60.)
- B He also receives an Additional Invite for the MP50 division because he had 300 points **actually playing in the MP50 division** which met the requirement of 200 points.
- C He does **NOT** receive an Additional Invite for the MP40 division as he only had 550 points playing in the MP40 division and the requirement was 600 points.

Additional Important Notes:

An invitation to register for Worlds, does **NOT** guarantee a spot at Worlds. Timely registration is still required to get in.

ONLY 2019 CURRENT Professional members (prior to 12/15/2019) earn 2019 Professional points towards Worlds invites.

ONLY 2019 Professional points (those points earned playing in a Professional division by a Pro) count towards Criteria #1 & #3.

ONLY 2019 Professional members (by 12/15/2019) are invited to register for the 2020 Professional Worlds.

Please direct any questions regarding the Worlds invitation process to the PDGA Tour Manager.
