Welcome to the 2021 PDGA Amateur Disc Golf World Championships

Congratulations on participating in 2021 Am Worlds! It’s with excitement that Orlando Disc Golf and the PDGA welcome you to the greater Orlando area for a week of competition and entertainment. Dynamic Discs and Latitude 64 have graciously supported the event as our presenting sponsors. We have also had the support of the City of Orlando, Orange County, the City of Debary, the City of Clermont and the City of Eustis to provide a wide array of courses. Combine these municipalities with all the volunteers from Orlando Disc Golf, DeBary Disc Golf Club, Lake County Disc Club and many other surrounding disc golf communities, we are ready to make your week memorable.

Everyone involved has been diligently preparing nine courses throughout Central Florida which will require you to use all the shots in your arsenal. But the fun isn’t limited each day with the competition. We have planned a variety of nightly events to keep you engaged. They start up with the opening ceremonies at the Hard Rock Live - part of Universal Resort’s CityWalk complex. Highlights for the week include:

- Monday evening brings us to the Hard Rock Live for the Opening Ceremonies.
- Tuesday evening is the Fly Mart at the host hotel for all the new product releases and meet and greets with touring professionals.
- Thursday evening we’ll find ourselves at the Main Event for the Player Party where amusement games, food and drink are provided.
The greater Orlando area has a plethora of activities and offers a bunch of everything for everyone. As such, you’ll have at your disposal a variety of unique attractions and eateries to provide great experiences for you and your family. The host hotel is located right in the center of many of these amenities within walking distance to 50+ bars and restaurants.

We encourage you to read through the remainder of this document in order to gain information on the courses, directions and activities.

I want to close by thanking you for attending this year’s event. This last year has proved challenging for many of us and being able to host almost 800 players for the event is an honor. The Orlando Disc Golf staff and a solid volunteer group are all looking forward to providing you a memorable week in the City Beautiful – Orlando, Florida, USA.

Sincerely, your 2021 Am Worlds Team and

Mark Janssen
2021 PDGA Amateur Worlds Tournament Director

After reviewing www.pdga.com/2021amworlds on the PDGA website, please direct all player invite, registration, withdrawal and refund related inquiries to the PDGA Director of Events at: asweeton@pdga.com. For all other inquires please visit the hosts’ site at www.2021AmWorlds.com and if you can’t find the answer to your question, then contact TD Mark Janssen at President@OrlandoDiscGolf.com.

Health Awareness
As we all are aware, the ongoing pandemic has in some way effected each of us. Currently, Orange County Mayor Jerry Demings is urging all residents and visitors to wear masks when in an indoor space with others regardless of vaccination status. To do our part, each player will receive a mask in the players package for use at the Opening Ceremonies and all evening activities.

EVENING ACTIVITIES

Opening Ceremonies at Hard Rock Live - Monday 7:00 PM
The Opening Ceremonies are being held at the Hard Rock Live located at Universal Resorts’ CityWalk complex. Parking is free after 6:00 PM. Although Universal Resorts CityWalk is close to the host hotel, be sure to allow for an extra 30 minutes to walk from the parking lot, thru security, and traverse CityWalk to the Hard Rock Live. Please plan for time in your travels in order to make the start of the ceremonies.

Fly Mart - Tuesday 7:00 PM to 10:00 PM PM
Join us at the Wyndham Orlando Resort International Drive for an industry showcase of new products and accessories each year. Bring your game to the next level with the latest signature disc or find that new cart or bag that holds everything you need for a round or that special item for the disc golfer you left behind. The FlyMart will be held at the host resort in the Citrus Ballroom.

Star Flyer & Star Bar - Wednesday 6:00 PM to 2:00 AM
On Wednesday afternoon and evening chill out with your fellow players and gaze over Orlando from the world’s tallest swing ride at 450 feet/137 meters. It provides spectacular views of the area at speeds up to 60MPH/97KPH. We have arranged for an $8 ride (normally $15) and also 15% off at the bar when you show your badge.

Player Party at Main Event - Thursday 7:00-10:00 PM
Our players party is just over a mile from the host hotel going south on International Drive. We are providing dinner and non-alcoholic drinks. The joint does have a full bar, but that’s on you. We will provide free use of all 24 lanes of bowling, a full arcade and game area, pool tables, skee ball and shuffleboard. There are TVs all over the place for your viewing enjoyment.

Don’t forget to bring the badge you receive at check-in as it will serve as your entrance to the party. If you purchased extra tickets or forget your badge, you will check in at the entrance table.

Parking: Use the main parking garage for Pointe Orlando and then leave your ticket in your car. As you leave the Main Event, grab a parking voucher. When you are exiting the garage, scan the parking ticket and then scan the voucher to get free parking.

Be sure to leave your parking ticket in the car so you do not misplace it. On leaving the party, receive a parking voucher from Main Event. As you leave the garage, scan you initial parking ticket and then scan the Main Event voucher and parking will be free. Loss of parking ticket will result in you needing to pay full parking costs.
For 2021, nine 18-hole courses will be used in the event. The bonus is that all nine courses are located at only five locations allowing us to arrange the course assignments to reduce your travel between courses each day. Five of the courses are located within 9 miles/14.5 kilometers of the host hotel. Here is a brief overview of the courses.

**Bill Frederick Park**

The City of Orlando’s premier park covers 183 acres and has three 18-hole disc golf courses – all of which will be used in the event. The combination of the three courses provides players with a reason to use every type of shot in their bag.

**Original**

One of the oldest courses in Florida dating back to late 1986, the Original course is a mostly flat and lightly wooded open course with varied terrain and small rolling hills that play along Turkey Lake. Afternoon winds may introduce more of a challenge on a number of the picturesque holes, especially on hole 7 where a small hill combined with an elevated basket can get your nerves up.

**T-2**

Added to the park in 2006, the T-2 course from the blue tees is the most challenging layout in the park playing over 6,700 feet/2040 meters with a par of 60. Of special notes are holes 1 & 5 which require multiple placements shots to negotiate the hole. Hole 16 requires a water carry of 300 feet/91 meters if you want a birdie run.

**The Woods**

Added permanently to the park in 2017, The Woods is a great complement to the other two courses on site. To successfully navigate The Woods, you’ll need to execute some tight woods shots. The course is a mix of light and heavily wooded fairways, a few open holes and one partial water hazard. You’ll even find some elevation – well, for the flat sandbar that is Florida.
Barnett Park

Barnett Park is home to two of this year’s courses, the North course and the recently redesigned Parkside course.

Parkside

Parkside went through a major redesign last year and has evolved into a more challenging course than the initial 1989 install. Although generally a flat course, Parkside offers mature trees and plenty of water to keep things interesting. The signature hole 18 demands players to navigate water carries all the way to the green. Please use the back gate entrance for competition rounds.

North

With mild elevation, the North course winds its way through medium dense wooded areas to create a challenging track with a variety of obstacles, terrain, and water hazards. The course finishes with an island hole that requires your disc to come to rest on the island to be in play.

River City Nature Park

Located just off the St. John’s River north of Orlando, River City Nature Park is situated in a passive park that is centered around nature walks and disc golf.

Alpha

The Alpha course takes great advantage of the mildly wooded pine, oak and palm tree areas of the park and incorporates a raised basket or two. The par four hole 7 plays long with a flagged lake near the pin, and hole 9 has a hanging basket strategically placed under a picturesque tree.

Barwick

The Barwick course is solid mix of open and mild to heavily wooded holes. A few strategically placed OB’s will make you think, especially on hole 15 where an island green forces a risk/reward decision.
Lake Hiawatha Preserve - Champions Pointe

The Lake Hiawatha Preserve course is set in a gorgeous preserve on a lake with huge mature oaks throughout. These oaks provide a beautiful canopy for a very challenging course. When set in its longest configuration the course measures more than 9000 feet/2740 meters in length.

Palmetto Point Park - The Green Gauntlet

The most recent addition to our course line up is The Green Gauntlet. A bit of a drive but well worth the experience. Playing as a par 67, you’ll appreciate that a majority of the holes are shaded in the woods. But that will also require you hit your lines and execute some placement shots to be successful.

Semifinals will utilize multiple courses on Saturday, August 21st. Most divisions will have a cut with the top competitors playing in a semifinal.

Finals will be played Saturday afternoon at Bill Frederick Park on the Original front nine. All divisions that have four to seven players will advance two competitors to the finals. All divisions that have eight or more players will advance four competitors to the finals.
