Please wear your badge when participating in spectating, staffing, volunteering, or any other official duty associated with the 2022 PDGA Professional World Championships.

**competitor badges**

Each FPO and MPO player will be issued a single Competitor Badge (yellow). Players should wear the badge on the course between arrival and departure. When a player competes in the event, the competitor does not need to wear a badge (i.e., store the badge in a bag or cart). Badge Holders must wear their badges around their necks.

**what is special about the PDGA competitor badge?**

Player parking is not available at the courses on the actual tournament days. The badge allows the player to use the shuttle, which will run from the lower parking lot at Emporia State University to the two courses from Tuesday, August 30 to Saturday, September 3.

The badge also allows players access to the warm-up area at ESU on tournament days. Only players, caddies, and support personnel can access the warm-up area.

The player badge also acts as a spectator pass at either course. NOTE: When using the player badge as a spectator badge, the player must follow all spectator rules and remain in designated areas. These rules are in the Spectator Badge section of this document.

**Professional Worlds Shuttle Schedule (MPO/FPO only)**

- Tuesday, August 30 to Saturday, September 3
- 6:30 AM to 7 PM*

  *Last return trip is 30 mins after the final card of the day is confirmed.

  Only one caddy is allowed per player on the shuttle. The caddy must have a caddy badge.
Each FPO and MPO player will be issued a single Caddy Badge. This badge can be assigned to a single caddy who will walk with and stay close to the designated player. The caddy must wear their badge around their neck at all times. Caddy must follow PDGA rules when on the courses.

These rules are as follows:

1. Caddy must behave professionally, not disrupting the regular disc golf play.
2. The PDGA 3.05 Carts, Caddies, and Groups rules must be followed during tournament play.
3. Failure to comply with any of these rules will lead to immediate dismissal from the course and the forfeiture of the caddy badge.

The badge also allows caddies access to the warm-up area at ESU on tournament days. Only players, caddies, and support personnel can access the warm-up area.

The Caddy Badge also acts as a spectator pass at either course. Therefore, a caddy must follow all spectating rules when using the badge to spectate. These rules are in the Spectator Badge section of this document.
FPO and MPO players will receive two Support Badges (orange). A player can assign this badge to two support persons who can access the warm-up area before and after the player’s round. It also provides access to the spectator zones on both courses. The support person must wear their badge around their neck at all times.

The Support Person Badge does **NOT** provide access to the shuttle on tournament days.

A support person must follow all spectating rules when using the badge to spectate. These rules are in the Spectator Badge section of this document.

**BADGES**

**STAFF AND VOLUNTEER BADGES**

Staff and Volunteer badges (blue) are for staff and volunteers who provide the services necessary for a successful event. The badges will allow special parking privileges at the venues where a staff member or volunteer works. In addition, tournament staff will deliver individual communication to each staff member and volunteer explaining their parking rights at their assigned locations.

Staff and Volunteers must follow the same rules as spectators **UNLESS** their assigned task precludes them from doing so.

These rules are as follows:

1. Staff and volunteers must behave professionally, not disrupting the regular play of disc golf.

2. Failure to comply with these rules will lead to immediate dismissal from the course and the forfeiture of a Staff or Volunteer badge.

The Staff or Volunteer badge gives the bearer no additional privileges outside parking and access necessary to complete their assigned tasks and duties.

Staff and volunteers can also use their badges to spectate at a course when they are not assigned volunteer shifts. Staff and volunteers must follow all spectating rules. These rules are in the Spectator Badge section of this document.

PARKING MAPS AND LOCATIONS

PARKING

BUS ROUTE
(PLAYERS AND CADDIES ONLY)
PARKING AT THE EMPORIA COUNTRY CLUB

If spaces are available in the Emporia Country Club parking lot, you may park in the lot for your practice rounds on Friday, August 26th through Monday, August 29th. If spots are not available, you may park on side streets (not on W. 18th Ave) or at the lower parking lots at Emporia State University (just east of the intersection of Merchant and W. 18th Ave). The ESU lot is about a two-minute walk from the Hole 1 basket at the club. If you have a large RV, please plan on parking in the lower lots at Emporia State University for your practice rounds.

Players cannot park in the Country Club parking lot on tournament days. Players have three options for parking on tournament days. They may park on side streets around the Country Club (but not on W. 18th Avenue). They may also park in the lower parking lots at Emporia State University and take the Player/Caddy-only shuttle to the course. Players may also park in the lower parking lots at Emporia State University and walk to the Country Club.

The shuttle will be running back and forth between the lower lots at ESU, the Emporia Country Club, and Jones Park every 15 minutes from 6:30 AM until 30 minutes after the last card is finished at the course on both days. Please plan accordingly.

There are no designated warm-up areas at the courses during tournament play. The designated warm-up area for competitors playing both courses will be the Campus Woods area which is on the north side of I-35 on the ESU campus and can be accessed through a tunnel under I-35 from the ESU lower parking lots. Only players, caddies, and support personnel will be allowed access to the practice/warm-up area. The shuttle will leave from the south side of the tunnel leading to the practice area. This is also the point where it will return players to the lower lots.

Detailed maps for parking may be found at www.2022proworlds.com under the Players tab, and in this caddy book.
GENERAL COURSE RULES

apply on all holes, unless otherwise noted

• All roads/parking lots & beyond are OB. Roads/parking lots are defined as any man-made pavement or concrete including adjacent curbs and sidewalks if present.

• All cart paths and sidewalks & beyond are OB unless otherwise indicated in the specific hole notes.

• All tall grass is OB unless otherwise indicated in the specific hole notes (defined by tall grass edge unless painted lines are present, at which time the painted lines are the OB line for the tall grass).

• All traditional golf greens, traditional golf tee boxes, traditional golf fairways, and traditional golf bunkers are OB unless otherwise indicated in the specific hole notes.

• Fairway dividers are painted lines dividing holes on the course serving as OB lines.

• All disc golf tee pads located within the defined inbounds area of a hole are inbounds for that hole.

Make extraordinary par for the course.
Parking at the Supreme 18 DGC at Jones Park

Player parking will be limited to the east parking lot just off of the Lincoln Park entrance to the park from **Friday, August 26th to Monday, August 29th**. If the lot is filled, you are welcome to park on side streets around the park. If you have a large RV, please plan on parking on side streets surrounding the course and not in the east parking lot.

**Players cannot park in the Jones Park parking lots on tournament days.** Players have two options for parking on tournament days. They may park on side streets around Jones Park. They may also park in the lower parking lots at Emporia State University and take the Player/Caddy-only shuttle to the course.

The shuttle will be running back and forth between the lower lots at ESU, the Emporia Country Club, and Jones Park every 15 minutes from 6:30 AM until 30 minutes after the last card is finished at the course on both days. Please plan accordingly.

There are no designated warm-up areas at the courses during tournament play. The designated warm-up area for competitors playing both courses will be the Campus Woods area which is on the north side of I-35 on the ESU campus and can be accessed through a tunnel under I-35 from the ESU lower parking lots. Only players, caddies, and support personnel will be allowed access to the practice/warm-up area. The shuttle will leave from the south side of the tunnel leading to the practice area. This is also the point where it will return players to the lower lots.

Detailed maps for parking may be found at [www.2022proworlds.com](http://www.2022proworlds.com) under the Players tab, and in this caddy book.
GENERAL COURSE RULES

apply on all holes, unless otherwise noted

• All roads/parking lots & beyond are OB (defined by yellow painted lines when present). If painted lines are not present, roads/parking lots are defined as any manmade pavement, concrete, or gravel to include adjacent curbs and sidewalks if present (unless indicated otherwise in the hole specific notes). If wooden posts with cable wires are present near the road or parking lot, the cable wire serves as the OB line (not the yellow lines or the road itself). In some areas where the cable wires are not clear indicators of OB, a white paint line will be used.

• All sidewalks are OB.

• All creeks/rivers & beyond are OB unless otherwise indicated in the specific hole notes (defined by water’s edge unless painted lines are present, at which time the painted lines are the OB line).

• All ponds are OB (defined by water’s edge unless painted lines are present, at which time the painted lines are the OB line).

• In or on all buildings/pavilions and concrete surrounding buildings/ pavilions are OB.

• All playgrounds and the surrounding concrete are OB.

• All tall grass is OB (defined by tall grass edge unless painted lines are present, at which time the painted lines are the OB line for the tall grass) unless otherwise noted.

• All fences & beyond are OB. The entire fence posts are OB. OB lines extend from the inbounds facing side of the fence post to the inbounds facing side of the next adjacent post.

• On or under all bridges are OB unless otherwise indicated in the specific hole notes.

• Fairway dividers are painted lines dividing the course’s holes serving as OB lines.

• All disc golf tee boxes located within the defined inbounds area of a hole are inbounds for that hole.
