Explanation of True Amateur Event

The true spirit of organized amateur athletics is competing in a sport purely for the love of that sport and the act of competition itself.

“True Amateur” is the designation used by the Professional Disc Golf Association in reference to those amateur events, or the amateur portion of an event, which promote that true spirit of amateur athletics by presenting only trophies to the top finishers of the tournament rather than a payout in merchandise. Instead, all players in the event receive equal value through their tournament experience due to the tournament amenities that are provided.

“Tournament Amenities” – these should enhance each player’s tournament experience at a True Amateur event. Those amenities may include, but are not limited to, social gatherings such as a party or an outing; meals provided during competition breaks; snacks, and beverages provided during competition; the provision of “comfort stations” out on the course (beyond the park’s usually limited facilities), or other infrastructure amenities such as paid parking permits in those locations with parking fees. For PDGA Major events, at least 125% of entry fees is required to be distributed through tournament amenities.

“Player Pack” – a package of commemorative items such as discs or clothing should be provided to each player – but it should provide only a portion of the tournament value.

The goal of a PDGA True Amateur Event is to provide a great holistic tournament experience to each player as they enjoy the spirit of amateur competition in the sport they love.

Also, currently where tournaments tend to fill quickly using pre-registration, True Amateur events are also easier on TDs as they can plan for expenditures on trophies, items for player packs, and tournament amenities with an eye on providing the same value to all registered players.

Trophy Requirements – any division with 36 or less players should receive trophies for 1st-3rd place. Any division with greater than 36 players should receive trophies for 1st-5th place.

* Please note these figures may adjust based on updates to Tour Standards. For more information about True Amateur, contact the PDGA office.
