Explanation of True Amateur Event

The true spirit of organized amateur athletics is competing in a sport purely for the love of that sport and the act of competition itself.

“True Amateur” is the designation used by the Professional Disc Golf Association in reference to those amateur events, or the amateur portion of an event, which promote that true spirit of amateur athletics by presenting only trophies to the top finishers of the tournament rather than a payout in merchandise. Instead, all players in the event receive equal value through their tournament experience due to the tournament amenities that are provided.

“Tournament Amenities” – these should enhance each player’s tournament experience at a True Amateur event. Those amenities may include, but are not limited to, social gatherings such as a party or an outing; meals provided during competition breaks; snacks and beverages provided during competition; the provision of “comfort stations” out on the course (beyond the park’s usually limited facilities), or other infrastructure amenities such as paid parking permits in those locations with parking fees. For PDGA Major events, at least 125% of entry fees is required to be distributed through tournament amenities.

“Player Pack” - a package of commemorative items such as discs or clothing should be provided to each player – but it should provide only a portion of the tournament value.

Trophy requirements - Any division with 36 or less players should receive trophies for 1st-3rd place. Any division with greater than 36 players should receive trophies for 1st-5th place.

The goal of a PDGA True Amateur Event is to provide a great holistic tournament experience to each player as they enjoy the spirit of amateur competition. True Amateur events are also easier on TDs as they can plan for expenditures on trophies, items for player packs, and tournament amenities with an effort to provide the same value to all registered players.

* This information is subject to change to align with current tour standards. For more information about True Amateur, including trophy requirements for a PDGA major, contact the PDGA event team.
**PDGA/HOST RESPONSIBILITIES** *(complete list will be finalized upon award and will be presented in an event contract)*

**PDGA Responsibilities (specific, but not limited to):**

**Initial Planning**
The PDGA will convene an initial conference call planning session with the HOST and provide a registration planning package that includes planning milestones and dates for specific HOST deliverables. PDGA will also provide the host with a checklist of deliverables relating to the competition in the form of an event contract after the event has been awarded.

**Finance**
- Manage registration related finances and coordinate with HOST for distribution of funds as needed.
- Provide HOST with financial reference reports from previous similar PDGA events.
- Coordinate with HOST on event budget.
- Provide PDGA sanctioning free of charge.
- Provide event insurance coverage and copies of coverage certificate, free of charge.
- Provide HOST with registration finance summaries.
- Provide HOST with pre-event financial stipend of $5,000 USD only upon signing of the event agreement and after January 1, 2024 for accounting purposes. This is to be used as “seed money” for the event, and shall be used only to offset event expenses.
- Assist HOST with event hotel negotiations (PDGA Director of Operations).
- As part of the registration costs, PDGA will charge an additional $45 on top of the NET entry fee. This is broken down as a $30/player admin fee due to the Host, a $10/player non-refundable registration fee due to PDGA, and a $5/player ace pot fee. Therefore, HOST will receive $30 from each registered player. This is meant to offset the cost of course/facility reservation fees, etc.

**Registration**
- Determine player eligibility and qualification.
- Manage the invitation and registration of qualified players, including waitlist and refund procedures.
- Provide HOST with detailed planning package which identifies administrative tasks.

**Staffing**
- Provide management staff for both the field events and doubles competition.

- Conduct site review to inspect and approve the playing courses as proposed by HOST.
- PDGA and HOST will develop a competition schedule in company, using established formats and guidelines. This document will need feedback from HOST and PDGA representatives once course inspections have been performed.
- Approve and publish the final competition schedule prior to the start of the Event.
- Approve the field events and doubles venues as proposed by the HOST.
- The use of Digital Scorecard is required.
- Digital posting of results is required.
- Provide trophy standards document to the HOST in accordance with PDGA Tour standards and “True Amateur” events and approve the final payout tables and trophies as proposed by the HOST.
- Provide detailed information on “True Amateur” style of events (see above).
- Some PDGA representatives will also act as Marshals during event.
- PDGA trailer and assets will be present for branding and tournament support.

- With HOST, coordinate and assist with sponsorship development (Director of Marketing and/or Director of Competition).
- With HOST, assist with event publicity, including publication of regular event press releases.
- Placement of the Event information on the PDGA web site on a dedicated Worlds page(s). HOST may create a website if desired, but it is imperative that any authoritative data be presented at the PDGA site, rather than duplicated, in order to mitigate the release of inconsistent information.
- Provide insurance coverage in compliance with the PDGA event policy.
- Be added as a co-signer for local agreements/contracts as may be required.

**Media**
- All video, audio, and photographic rights of the event are retained by the PDGA. Use of any sounds or images derived from the event must be authorized by written consent of the PDGA.
- ALL media partnerships must adhere to PDGA media policy.
- All sponsorship offerings that include media must be preapproved by the PDGA.
- PDGA media may provide templates for caddie books and tee signs at PDGA Majors. All on-course and ancillary event branding must be approved by PDGA media.
- PDGA media will conduct regular check-ins with the LOC to ensure adequate media and branding operations.
- Please contact the PDGA media team for further media policy details.

**Other**
- Provide HOST with a comprehensive evaluation of the Event upon its completion, including problem areas and suggestions for improvement.
** The principal PDGA contacts with the HOST are to be the PDGA Director of Competition, the PDGA Director of Marketing, and the PDGA Operations and Logistics Team, who may in turn delegate specific areas of responsibility to other PDGA officials.

HOST Responsibilities (Required, but not limited to):
